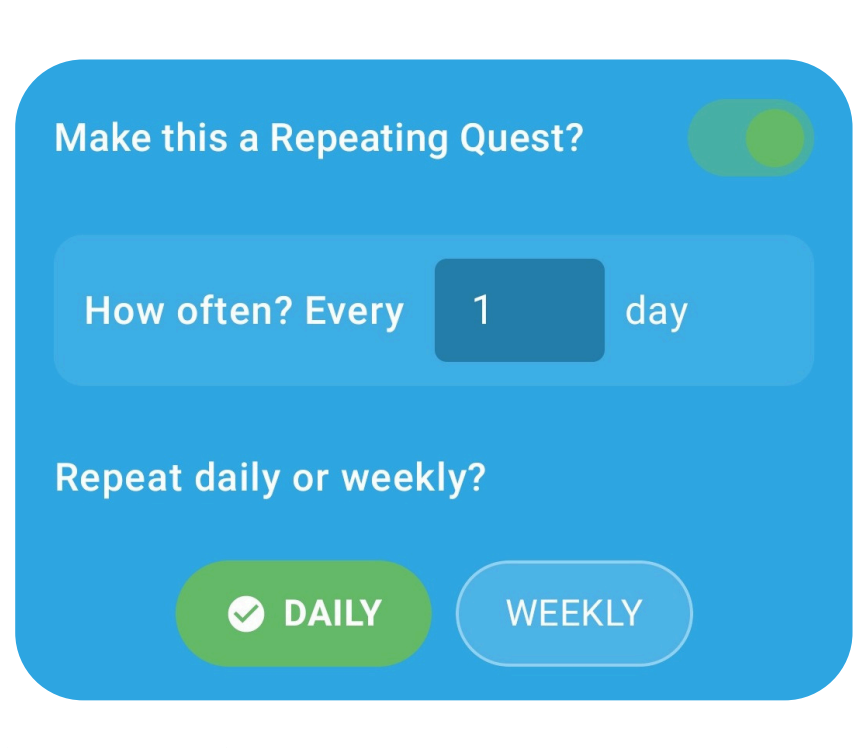
Quest Scheduling

Starts on: Jul 21, 2025

Ends on: Not set

Remind at: 8:00 PM

- Enter the Quest Title:
- Type in the title of the task you want to set, for example, "Wash the Dishes."
- Add Notes:
- Include any important reminders or additional instructions. For instance, “Don’t overuse the dishwashing liquid!”
- Choose the Difficulty:
- Select the difficulty level for the task. Choose between:
  - Easy (+10 XP, +5 Gold)
  - Medium (+20 XP, +10 Gold)
  - Hard (+40 XP, +20 Gold)
- Quest Scheduling:
- Set the Start Date: Choose when you want the quest to start. You can set it for today or a future date.
- Set the End Date: You can choose if you want the quest to end at a specific time, or leave it unset if it’s an ongoing task.
- Set a Reminder: Select a time for the reminder to notify you about the quest. For example, you can set it to remind you at 8:00 PM.
- Once everything is set, hit save to schedule your quest. The app will notify the child when it's time to complete the task.



Make this a Repeating Quest?

Repeat daily or weekly?
DAILY
WEEKLY
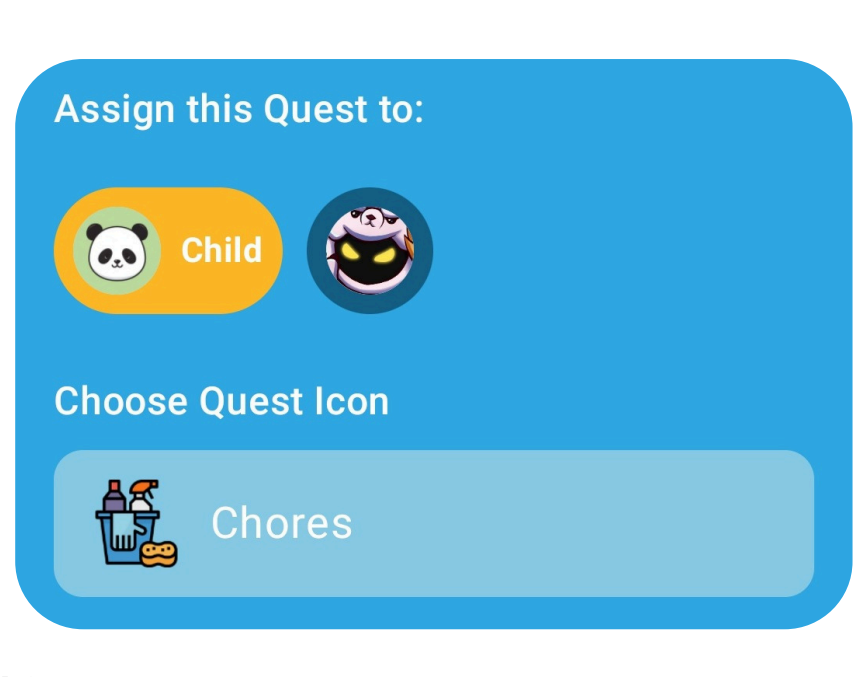
On these days of the week:
S
M
T
W
T
F

- You can choose whether the quest should repeat on a daily or a weekly basis.
- Select Daily for tasks that are done every day.
- Select Weekly for tasks that are done on specific days of the week.
- On these days of the week:
- If you choose Weekly, you will then be able to select the specific days you want the quest to be active. Tap on the letters representing the days of the week to select or deselect them. In the example, the days Monday, Tuesday, Wednesday, and Friday are selected.



Assign this Quest to:
Child
Choose Quest Icon
Chores

- Assign this Quest to:
- Select the user(s) you want to assign the quest to. Tap on the user's profile icon to select them. In the image provided, the user "Child" is selected. [You can select multiple children]
- Choose Quest Icon
- Select an icon that best represents the quest. Tap on the icon or the text to bring up a list of available icons. In this example, the "Chores" icon is selected.
- Once you have set these options, you will be ready to save your quest.

Starts: Jul 21, 2025

Reminder: 20:00

Repeats: Every 1 Day(s)

For: Child

Created: Aug 04, 2025 at 02:50PM

- Once you have saved a quest, please be mindful of any changes you make.
- Editing quests: If you decide to edit a quest after it has been assigned, please note that changes will be primarily reflected on the child's dashboard on the next day. [EDITING or DELETING is only available on viewing all quests
- Fairness: This feature is designed to ensure fairness and prevent confusion. It gives the child a full day to work on a task without the rules or rewards changing unexpectedly.
